

Punxsutawney Sportsmans Club Deer Lease Survey

Sportsman Club lease members:

This survey is provided to you as part of our agreement with Forest Investment Associates to maintain the Elenora lease. We are required to tabulate the survey and forward it to FIA.

Your membership requires you to fill it out and return it to the club address provided below. Even if you did not harvest any game, failure to do so will jeopardize your renewal for next year. The survey is only for game taken on the lease property. Please complete the survey and return it by Jan 23rd.

Only one survey will be sent to lease members residing in the same household so please list all members on the survey. If you know of any lease members who did not receive a survey please go to our website at www.punxsysportsmansclub.com where you can print one or view minutes.

Club meetings are held on the 3rd Thursday of the month 7:30pm at the Punxsy Community Center. Tree stands are to be removed Feb 1st to Sept 1st per FIA . We now require names be put on all tree stands. Failure to remove stands after February 1st will result in stand being taken down and \$25.00 recovery fee will be charged to get it back.
